NON-PROFIT SUPPORT

We are proud to support our non-profit partners on a daily basis. So far in 2022, we refurbished & **donated over \$10,000** worth of computers via our **ITAD** recycling program and also sponsored our Non-Profit friends via donated services and fundraising events. We love helping those who help others! Take a look at our website for a list of the organizations we love and support. If you have a non-profit that we can help with, please reach out!
